

STATEMENT OF WORK
APPRAISAL SERVICES
MAYVIEW STATE HOSPITAL

GENERAL:

The Department of General Services (DGS) has been authorized by the Pennsylvania General Assembly to sell surplus real property known as the Mayview State Hospital, 1601 Mayview Road, Borough of Bridgeville, Allegheny County, PA. Through this Invitation for Bids (IFB), DGS is seeking bids for appraisal services to determine "As Is" Market Value and a Hypothetical Value of the Mayview State Hospital.

PROFESSIONAL LICENSURE REQUIREMENTS:

The appraisal services must be performed by an appraiser who is currently certified by the Pennsylvania State Board of Certified Real Estate Appraisers in the "General" class of certification.

SCOPE-OF-WORK:

The successful bidder ("Contractor") shall be required to develop, prepare and provide two (2) complete original copies of a Narrative Self-Contained Appraisal Report with a focus on Highest and Best Use. The Contractor shall also consider Hypothetical Conditions based on a proposed zoning ordinance change, a copy of which is included as Exhibit "A".

The property to be appraised is owned by the Commonwealth of Pennsylvania and known as the Mayview State Hospital situate in the Borough of Bridgeville, Allegheny County, PA. The property to be considered in the appraisal report consists of 170-acres +/- and buildings containing approximately 1,364,194.00 SF. Included and made a part of this IFB is a Site Map marked as Exhibit "B", Building Index marked as Exhibit "C" and a Boundary Map marked as Exhibit "D". It should be noted that approximately 70-acres have previously been transferred to the jurisdiction of the Department of Transportation for wetlands mitigation as depicted on Exhibit "D" (not of public record), and should not be considered in the appraisal report.

The property is partly encumbered from 2006 through 2011 with an ingress and egress lease agreement. A copy of the lease agreement will be provided to the Contractor.

Building plans shall be made available to the Contractor and obtainable at the Mayview State Hospital site.

DELIVERY OF REPORT:

Contractor shall deliver the completed appraisal report to DGS within 90-calendar days after the Contract is fully executed and delivered to Contractor.

CONTRACT FEE and PAYMENT:

The Contractor shall be paid on a fixed fee basis. Contractor shall not be allowed or paid travel, per diem or other expenses.

SECTION 109 EFFECTIVE DATE

This Ordinance shall take effect immediately upon adoption by the Board of Commissioners.

SECTION 110 AUTHORITY

This Ordinance is adopted by virtue of the authority granted to the Township by the Commonwealth of Pennsylvania in the Pennsylvania Municipalities Planning Code, Act 247 of 1968, as amended by Act 170 of 1988 (P.S. 10101 et. seq., as may be amended from time to time).

SECTION 111 INTERPRETATION

In the event of conflicts between the provisions of this Ordinance and any other ordinance or regulation, the more restrictive provisions shall apply.

In their interpretation and application, the provisions of this Ordinance shall be considered minimum requirements adopted for the promotion of the health, safety and general welfare of the public.

In interpreting the language of this Ordinance to determine the extent of the restriction upon the use of property, the language shall be interpreted, where doubt exists as to the intended meaning of the language written and enacted by the Board of Commissioners, in favor of the property owner and against any implied extension of the restriction.

SECTION 112 COMMUNITY DEVELOPMENT OBJECTIVES

Community Development Objectives are set forth in the South Fayette Township 2000 Comprehensive Plan Update adopted by the Board of Commissioners on August 21, 2000. In addition to the specific objectives stated in the 2000 Comprehensive Plan Update, the general community development objectives on which this Ordinance is based are:

- A. To promote the interest of public health, safety, morals and the general welfare;
- B. To secure safety from fire and to provide adequate open spaces for light and air;
- C. To conserve and stabilize property values;
- D. To preserve woodlands, open space, recreational, agricultural and environmental sensitive lands from conflict with urban development;

- E. To facilitate the economic provision of adequate transportation, water, sewage, schools, parks and other public requirements;
- F. To prevent the overcrowding of land, blight, danger and congestion in travel and transportation, loss of health, life or property from fire, flood, panic or other dangers;
- G. To promote stormwater management, soil and water conservation;
- H. To set forth population density controls;
- I. To promote coordinated and practical community development; and
- J. To promote the utilization of renewable energy sources.

SECTION 113 COMPLIANCE

No structure shall be located, erected, constructed, reconstructed, moved, altered, converted or enlarged; nor shall any structure or land be used or designed to be used, except in full compliance with all the provisions of this Ordinance and after the lawful issuance of all permits and certificates required by this Ordinance.

SECTION 114 SEVERABILITY

If any of the provisions of this Ordinance or the application of any provision to particular circumstances is held to be invalid, the remainder of the Ordinance or the application of such provision to other circumstances shall not be affected.
